Position Summary

Concordia Lutheran School seeks a passionate and skilled middle and high school teacher to inspire and educate students. This full-time position includes teaching middle school math for two periods per day and an additional five periods in high school level math or science, depending on the passions of the teacher hired and the needs of Concordia. The ideal candidate is dedicated to fostering academic excellence, critical thinking, and spiritual growth while maintaining a Christ-centered approach to education.

Position Responsibilities

1. Faith Integration: Model and integrate Christian faith into teaching, rehearsals, and interactions with students, helping them understand music as a gift to glorify God.
2. Student Development: Foster students' analytical growth, encourage curiosity, and provide constructive feedback on problem-solving techniques and scientific methodology.
3. Curriculum Planning and Implementation: Maintain and implement a dynamic, Christ-centered curriculum aligned with educational standards and school goals. This position may include:
 - Mathematics: Instruct middle and high school students in pre-algebra, algebra, and/or geometry concepts.
 - High School Life Science: Teach high school courses such as biology and ecology.
4. Differentiated Instruction: Adapt teaching methods to meet the diverse needs of students, offering support for those struggling with complex concepts and enrichment for advanced learners.
5. Classroom Management: Create a supportive, disciplined, and inclusive classroom environment where students feel encouraged to ask questions and take intellectual risks.

Skills Necessary

1. Classroom Management: Maintain a positive, respectful classroom culture that reflects the values and mission of Concordia Lutheran Schools.
2. Lesson Planning and Organization: Skill in developing structured and engaging lesson plans that align with curriculum standards.
3. Content Proficiency: Strong command of mathematical concepts and scientific principles, with the ability to explain complex ideas clearly to different age groups.
4. Technology Use: Proficiency in educational technology, including graphing calculators, data collection sensors/probes, and science simulation software.
5. Communication Skills: Strong organizational and communication skills for working with students and parents regarding academic progress.
6. Adaptability and Flexibility: Capability to adjust teaching strategies and lesson plans to meet diverse student needs and varying class dynamics.
7. Professionalism and Dependability: Commitment to Concordia's mission and values, reliability in attendance and preparation, and a professional demeanor that reflects positively on the school community.

Professional Expectations and Requirements

1. Bachelor's degree in Mathematics Education, Science Education, or a related field (Master's degree preferred).
2. Valid Nebraska Teaching certification, with a certification in mathematics or science preferred (or ability to obtain certification)
3. Experience teaching middle and high school mathematics or science is preferred.

Attributes of All Concordia Staff

Concordia Lutheran Schools of Omaha operates as a ministry of the Lutheran Church-Missouri Synod. Staff members, both called and uncalled, represent Concordia's ministry to the community and must:

1. Profess an active, Christian faith
2. Be loyal to the vision, purpose, and staff of Concordia Lutheran Schools of Omaha and seek to protect the unity among our staff and community
3. Demonstrate a Christ-like attitude through all interactions with students, families, staff, and volunteers
4. Adhere to the Personnel Manual
5. Maintain the confidentiality of sensitive materials and information

Does this sound like you?

This role offers an opportunity to shape students' intellectual and spiritual journeys while fostering a love for science and mathematics within a Christ-centered community. Applicants should be enthusiastic about mentoring young scholars and guiding them to use their analytical talents and knowledge of creation to glorify God.

Interested candidates should submit a cover letter, resume, teaching philosophy statement, and portfolio samples (if applicable) to Principal Amy Schwarting at schwartinga@concordiaomaha.org.
